SUMMARY

I am a passionate full stack web developer with extensive knowledge of both server side and client side MVC frameworks. I'm firm believer in continuous integration and code review, and always ready for new challenges that helps me to leverage my skillset with which I can bring something different on table. My development stack of choices includes HTML, CSS, BOOTSTRAP, MATERIALIZE, JAVASCRIPT, EXPRESS, NODE.JS, SOLIDITY, WEB3.JS REACT, PYTHON, MONGODB, MYSQL, GIT and GITHUB.

SKILLS

- Experience in
 - - HTML, CSS, JAVASCRIPT(ES6), Nodejs, Solidity and Python.
 - MVC frameworks like Express, and familiar with Flask and Django.
 - Front-end libraries (Materialize, Bootstrap and React).
 - Version Control- Git and GitHub.
 - IDE- Visual Studio Code, PyCharm, and REMIX
- Strong knowledge of Heroku Platform and familiar with Firebase.
- Familiar with Scrum/Agile development methodologies.
- Excellent communication and interpersonal skills with ability to work in dynamic environment.
- Strong Ms Office skills- Word, Outlook, Excel and PowerPoint.

PORTFOLIO

- **BN Blog** - A blogging website that has both frontend and backend services where user can view and comment on posts. On the other side admin/author can perform CRUD operations on post from admin panel. It is created with nodejs, express MVC framework, bootstrap, mongoose ODM.
It is college group project and backend was supported by me. Here is a deployed link: <https://bn-blog.herokuapp.com/>
GitHub link: <https://github.com/n-bhasin/bn-blog/>
- **Lead Management System** - A web app created for a client which manages the lead for the tele callers using python, Django, JavaScript, ajax, bootstrap. Here is a GitHub: <https://github.com/n-bhasin/finsarathi>
- **Course Membership** - A web app created that displays the list of demo courses available, different types of memberships to which user can subscribe by using python Django MVC framework, bootstrap, SQLite database and configured using Stripe Payment Method. Here is a GitHub: <https://github.com/n-bhasin/courseMembership>

EXPERIENCE
